

# Our Mission

**TO GLORIFY GOD  
BY LIVING OUT THE  
LIFE WE HAVE IN CHRIST.**

LIFE is an acronym that is an easy way to remember central aspects of growing and maturing in our relationship with Jesus Christ:

- L** - LOVING God
- I** - INVESTING in Others
- F** - FOLLOWING His Word
- E** - ENGAGING Our World

We believe that knowing Christ is **life-changing**, and we are so excited to walk together with you in this journey! We would love to talk with you about events and info in this bulletin, or you can always learn more at [www.fellowshipwaco.org](http://www.fellowshipwaco.org)

## A Note from Pastor Grant

Good Morning Fellowship!

We have all faced times of spiritual complacency. But is it a big deal, and what can be done to address it?

As we will discover this morning in Revelation 3:14-22, Jesus addresses the issue head-on in His letter to the church at Laodicea.

## Missionary Spotlight - Bill & Jenni Hunt

Bill and Jenni serve in southern and eastern Africa with their agency, Fruit That Remains. Their mission is mentoring professionals in Africa's mega cities to experience God's design for marriage and equipping them as ministering couples to reach their communities.

As the founders of FTR, they are shepherd mentors to teams of lay volunteers in numerous churches in Kenya. Their primary call is to equip couples to minister together to build marriages in southern and eastern Africa through relational, personal ministry, couple to couple.

Visit our ministry wall to learn more about Bill & Jenni and all of our missionaries.
