

Our Mission

**TO GLORIFY GOD
BY LIVING OUT THE
LIFE WE HAVE IN CHRIST.**

LIFE is an acronym that is an easy way to remember central aspects of growing and maturing in our relationship with Jesus Christ:

- L** - LOVING God
- I** - INVESTING in Others
- F** - FOLLOWING His Word
- E** - ENGAGING Our World

We believe that knowing Christ is **life-changing**, and we are so excited to walk together with you in this journey! We would love to talk with you about events and info in this bulletin, or you can always learn more at www.fellowshipwaco.org

A Note from Pastor George

Good Morning Fellowship!

As believers we long for the eternal worship of Jesus in His presence in Heaven. But until then, what does worship of our Savior look like here on earth?

This morning we will look to Psalm 63 to gain understanding of how a life-style of worship is displayed by the believer. I'm excited for us to worship our King together!

George

Ministry Spotlight - Care Ministry

Fellowship offers a variety of care ministries to meet the needs of our congregation and community. It is a caring community, reaching out with Christ's healing love to those in need: an intensive discipleship along with authentic fellowship. Fellowship is a place where no one must suffer alone.

Care Ministry offers healing, comfort, support, guidance, and encouragement for a variety of personal, emotional, or relational wounds experienced by individuals in our church body or in our community.

We equip and empower laypeople who have the gifts of encouragement, caring, and compassion to use their gifts in a meaningful ministry to the church and to the community. Serving in Care Ministry is an opportunity to be "present" with others and to walk alongside them as they struggle with their personal or relational needs. Visit our website or contact Pastor Ryan for more information.
