Proverbs tells us “pride comes before destruction” and Peter, in his first epistle, teaches us how to avoid becoming a victim to this travesty. This morning, we will learn how to grow in grace as we study what it means to “clothe ourselves in humility”. I’m excited to worship with you.

My personal application of this passage:

Questions for individual study and LIFE Groups:

1. What is the source of pride? Identify scripture that answers this question.
2. Who is the ultimate authority in our lives? According to scripture, who are some other authorities God has placed in our lives?
3. Using scripture, define biblical submission. What role does submission play in overcoming pride?
4. In what area of life do you most struggle with pride? What scriptural steps are you taking to overcome this?
5. Spend time discussing or write out why you are thankful for the grace of God and how His grace is helping you overcome the difficulties and struggles of life.
