CATALYST
AN FSM EVENT

Fellowship of Students

Information Packet and QR Code to Register!

Hello Parents –

We are excited to announce Catalyst 2025 which will take place on MLK weekend (Friday evening January 17th – Sunday morning, January 19th). Catalyst weekend is set aside to encourage and equip Fellowship students and their friends to be **RESOLVED** to follow Jesus as they navigate this world alongside their parents, church, and peers! A weekend focused on **FAITH, FELLOWSHIP, FOOD, and FUN** your student will not want to miss!

For this weekend to be successful and fruitful for your students **WE NEED YOU** to be **INVOLVED** and **SUPPORTIVE**. Listed below are the many ways you will be able to have an important impact on Catalyst 2025:

- ◇ Begin now to pray for your student. Pray for their heart and mind to be receptive to the Holy Spirit throughout Catalyst weekend!
- ◇ Register your student!
- ◇ Pray with your student!
- ◇ Ask you student to invite a friend to attend Catalyst alongside them!
- ◇ Pray for and with your student!
- ◇ ***VOLUNTEER THROUGH SIGN UP GENIUS!*** We have many areas of need and without parental involvement it will be impossible to carry out the event as planned. Please ***volunteer through sign up genius early*** as there are some areas that will take pre-event preparation
- ◇ Pray with and for your student!
- ◇ Pray for our weekend leaders!
- ◇ Pray for Jason Cox, our speaker!
- ◇ Pray for the Vertical Worship Team who will lead us in worship through song!

Parents we are so excited for Catalyst 2025. Our theme is **RESOLVED** based on Psalm 119:112. Your student will be challenged to set forth four spiritual goals to work toward throughout 2025. We will engage in worship through song, sermon, small groups, and a time of self-examination.

We have planned a lot of fun, great food, time for fellowship, but most importantly time for your student to grow in their walk with Jesus. For some this will be a newfound faith, for others it will be an opportunity to reengage with their faith, and for others it will be a refreshing time of renewal as they are encouraged to continue living out their faith. We can't wait to invest and pour into your student. We invite you come along and partner with us throughout the weekend. Let's begin to pray together now for Jesus to provide salvation and sanctification for our students.

In Christ,

George Ohmstede and the Catalyst 2025 Team
