How does a believer in Christ grow in the grace of God? The answer to this key question is at the heart of the New Testament and is the passion of our church. We thrive in Christ when we take the pursuits outlined in Colossians 3:12-17 to heart.

Grant Kaul, Senior Pastor

Better Together: United in Our Passion of Growing in Grace Colossians 3:12-17

How do followers of Jesus Christ grow in the grace of God?

1. Believe who you are in Christ

3:12a

For He rescued us from the domain of darkness, and transferred us to the kingdom of His beloved Son, in whom we have redemption, the forgiveness of sins.

Colossians 1:13-14

My personal application of this passage:

Questions for individual study and LIFE Groups:

1. Why do you think Paul reminds believers of their position in Christ in the first part of verse 12? How does our standing with God affect our fellowship with Him and our relationship with others?
2. In what ways have you witnessed in others any of the characteristics we have available through our relationship with Jesus Christ highlighted in Colossians 3:12-17 in the lives of other believers?
3. Why is it so important for Christians to clothe themselves with these qualities? How does a believer specifically do that? How should we respond when we fall short?
4. If a friend came to you for help and told you they were having a difficult time forgiving someone, what would you say to them?
5. How have you seen the Lord develop some of these attributes in your life? Are there any current situations spurring this growth that you could share?
