How do you fight the good fight of faith? As we will discover this morning in 1 Timothy 1:18-20, there are two lifetime practices every Christian must cultivate. A failure to follow these can be catastrophic.

My personal application of this passage:

Questions for individual study and LIFE Groups:

1. Why is it important to have a sense of calling in your particular season of life?
2. How would you describe your calling?
3. What are some of the obstacles you face in fighting the good fight of faith? How do you cultivate a strong faith in Christ and recharge your batteries?
4. What is a good conscience, and how do you keep it that way?
5. What can potentially happen when you fail to give attention to these key components of a faithful life (see 1:20)? Have you ever known someone who failed to put these verses into practice?
