

LIFE-GIVING DISCIPLESHIP

The Journey Continues!

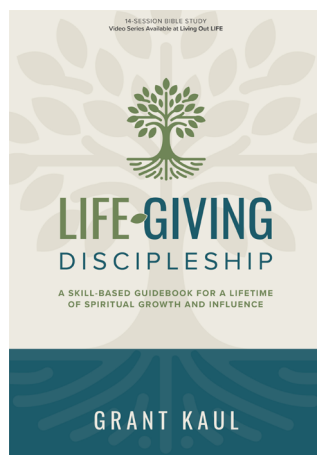

In the Fall of 2023, we began a church-wide “Journey to Maturity” through a verse-by-verse sermon series on 2 Timothy and an in-depth study of *LIFE-Giving Discipleship*. Each of the 14 chapters aligned with a passage from 2 Timothy and introduced essential skills for a lifetime of spiritual growth in Christ and intentional influence. It was a season of transformation, deepening our walk with Christ and equipping us to invest in others with greater purpose and confidence.

With many helpful inputs and invaluable insights from our 2 Timothy journey, **a new, updated, revised, and reformatted edition** of *LIFE-Giving Discipleship* is now available on Amazon! Going through this updated book is a great way to continue to grow in Christ.
