As believers, how do we discern truth from error and find true contentment while living in a world obsessed with wealth, status, and self-promotion? This morning, we look to 1 Timothy 6:3-10 to answer this question, as Paul reminds us that godliness is great gain!

My personal application of this passage:

Questions for individual study and LIFE Groups:

1. What doctrine and sound words is Paul referring to in verse 3?
2. According to verse 4, what are the consequences for the false teacher and what is he trying to gain by manipulating the scriptures?
3. Do a quick word study of the word godliness, then provide your own definition according to scripture.
4. Why does Paul use food and covering as the basic guidelines to contentment?
5. According to verse 10, why does the love of money cause people to walk away from the faith as well as cause great grief?
