Every life is being built on something. In 1 Peter 2:4-8, we discover why Jesus Christ is called the cornerstone and why our response to Him determines the foundation and destiny of our lives. This morning, we are exploring the most important question every person must answer.

Grant Kaul, Senior Pastor

## Is Christ Your Cornerstone?

### 1 Peter 2:4-8

Is Jesus Christ your cornerstone for life?

Two truths every person needs to know about Jesus Christ:

1. Trusting Christ leads to eternal life and worship with His people  
2:4-7a

*He is the stone which was rejected by you, the builders, but which became the chief corner stone. And there is salvation in no one else; for there is no other name under heaven that has been given among men by which we must be saved.*

Acts 4:11-12

*For the word of the cross is foolishness to those who are perishing, but to us who are being saved it is the power of God.*

1 Corinthians 1:18

Is Jesus Christ your cornerstone for life?

How are you building your life upon Him today?

*Our response to the Cornerstone of Christ reveals whether we truly have an eternal foundation for our lives.*

## ***My personal application of this passage:***

### **Questions for individual study, small group Bible studies, and LIFE Groups:**

1. What does your daily life look like in practice when Christ is your cornerstone rather than just an important part of your life?
2. In what areas of your life are you most tempted to align with something other than Christ as your reference point?
3. How have you experienced God shaping or refining you through difficult circumstances as part of His building process?
4. What does it mean for you to live not as an isolated believer but as a living stone connected to others in the church?
5. How does your current response to Jesus show whether He is the foundation in your life?
