How does the word of God move from something we occasionally read to the very way we live? In 1 Peter 1:22–25, we discover how the living and enduring word of God takes root in our hearts and produces lasting spiritual growth. This morning, we will learn how God’s Word becomes our way of life.

How the Word of God Becomes our Way of Life

1 Peter 1:22-25

How does the Word of God become our way of life?

1. Trust His truth to purify your soul

1:22

“He who believes in the Son has eternal life; but he who does not obey the Son will not see life, but the wrath of God abides on him.”

John 3:36

So faith comes from hearing, and hearing by the word of Christ.

Romans 10:17

My personal application of this passage:

Questions for individual study, small group Bible studies, and LIFE Groups:

1. What role does obedience to God's Word play in purifying your heart and shaping how you live?
2. Who in your life right now may need the kind of sincere and fervent love Peter describes in this passage?
3. What attitudes or habits can hinder God's Word from taking deeper root in your heart and relationships?
4. In what practical ways can you treasure and prioritize the Word of God in your daily life this week?
5. How have you personally seen God's Word take root and produce growth or change in your life over time?
