Good Morning Fellowship!

What do you do when life's challenges feel greater than your strength? This morning, we will learn how to experience God's triumph in the midst of our trials as we conclude our study of 1 Peter.

Grant Kaul, Senior Pastor

How to Experience God's Triumph in Our Trials

1 Peter 5:6-14

How can you experience God's triumph in your trials?

1. Humble yourself before God by trusting His loving care 5:6–7

How to cast our anxiety on God:

- Identify the concern.
- Entrust the outcome to God.
- Ask for wisdom to fulfill your responsibility.
- Return to Him when the concern resurfaces.
- Receive the care He provides.

2. Stand firm in your faith by relying on His sustaining grace

5:8-14

Ways we stand firm in our faith in Christ:

- Answer temptation with biblical truth.
- Act on the truth you know.
- Pray for strength and wisdom.
- Invite another believer to help you.

No temptation has overtaken you but such as is common to man; and God is faithful, who will not allow you to be tempted beyond what you are able, but with the temptation will provide the way of escape also, so that you will be able to endure it.

1 Corinthians 10:13

We experience God's triumph in our trials as we trust Him with the challenges in our lives.

My personal application of this passage:

Questions for individual study and LIFE Groups:

1. What concern is weighing on you right now, and what would it look like to entrust it to God while faithfully fulfilling your responsibilities?

2. Where are you finding it difficult to trust God's timing, and how can you practice humility while you wait?

3. When life becomes difficult, what temptations or attitudes tend to surface, and how can God's Word help you stand firm?

4. Which promise in 1 Peter 5:10 most encourages you in your present circumstances, and how could it shape your response this week?

5. How has God strengthened you through another believer, and whom could you encourage or engage with as you face life's challenges?
